The Court at the stage of admission made the following :

J U D G M E N T: (Per the Hon'ble Sri Bilal Nazki, ACJ):

Heard learned counsel for the parties.

The writ petition was filed seeking a direction to the respondents that agricultural service connection be given to the petitioner. It appears that the respondents have maintained a list and connections are being given on the basis of the first come first serve. The complaint of the petitioner was that some of the persons were given connections although they had applied along with him. But, the record shows that in the list, the number of the petitioner-appellant is 217, whereas the numbers of those persons, who have been given connections, are 51, 53 and 56 to 59. In these circumstances, we do not find that the learned Single Judge order needs any interference.

The writ appeal is accordingly dismissed. No order as to costs.
